Absolutely stunning Dumas-designed Golf Course home with high contemporary styling and abundance of flair! Light Oak wood floors greet you as you walk into the stunning 2 story foyer. A formal dining room with tremendous amount of light, vaulted ceiling and designer chandelier to your left and straight ahead one of the most contemporary great rooms we've seen! The 2 story vaulted great room includes a triple atrium, vent-less gas fireplace and turned, open stairs to the 2nd floor with catwalk. The Large eat in kitchen to the left features white "Cox" cabinetry, recessed lighting, under counter lights, planning desk, and breakfast bar (Fridge will stay). All with a beautiful view (and connected to) the screened in patio and the view of the 3rd green. The large master bedroom off the great room features a vaulted ceiling and more views of the golf course. The master bath includes his and her closets, private shower/water closet and double bowl vanity. The second floor features 2 large bedrooms with double closets, (while up here be sure to check out the bedroom that features a bonus room with skylight light). Downstairs in the walkout basement you'll find an amazing amount of finished space. There's another family room with a second vent less fireplace, new bathroom with contemporary cabinets, mirrors, lights, ceramic tile, and a steam shower. The downstairs also features a workout area, 4th bedroom and media den. Make sure you see the storage areas, one of which can also be used as a storm shelter or wine cellar.
