PROPERTY DESCRIPTION

Here's an updated, contemporary one of a kind all Brick Home located in the much sought after Blankenbaker Woods. The 2 story front Atrium (added to the home in 2001) has a real wow factor as you enter this home. Setting the atmosphere on the main level, Bamboo "Green" flooring. The enormous living room will hold even the largest of furniture. There's a large formal dining room and a bright roomy eat-in kitchen has been updated with a number of Stainless Steel appliances. The family room is bright and roomy, there's new overhead lighting and the wood burning fire place is perfect for those snowy nights. The Master bedroom is enormous, The master bathroom has a new tile floor, shower door, tile fixtures, lighting and more. The other 2 bedrooms on the main floor are also good size. The lower level of the home has more room to spread out with another family room and wet bar. There's another good size bedroom and bathroom on the lower level. The outdoor terrace has water and freeze resistant tiles. Among the recent upgrades: High Energy Efficient Furnace, Hot Water Heater, New Landscaping, Lighting, Carpet and paint throughout.
