PROPERTY DESCRIPTION

Elegant, Upgraded and Open Floor plan! The home has everything a growing family needs including plenty of space to spread out. A front porch then glass front door with sidelights and finally wood floors great you as you walk into this 4 bedroom 2 bath contemporary styled home. A large formal dining room to your left and ahead the entry to a large 1 story great room! In here you'll love the tons of light pouring in from 3 Palladium windows surrounding a gas fireplace with mantle. Continue into the Upgraded kitchen with cherry cabinets, black appliances, convection micro-wave, recessed and pendant lighting and a center island with breakfast bar. The walk-in pantry allows you to stock plenty of food! The 1st floor master bedroom suite is large, with tray ceiling and recessed lights. The Master bathroom has double vanities, ceramic tile, separate Jacuzzi style tub and walk-in shower and walk-in master closet. Upstairs the kids will love the 3 good six bedrooms and large (in some cases walk-in) closets. In the basement, a tremendous amount of room to entertain or let the kids run wild. The large built in shelving entertainment center and computer space will keep all gadgets neat and safely stored. Out back a large deck for more entertaining and plenty of room to play games with the kids in the yard. The upgrades in this home including flooring, lighting fixtures, pantry and basement. Sellers are being transferred out of state.
